I am a third year Computer Science student with a strong academic record with being Dalhousie University Sexton Scholar in 2021 and 2022. I have honed my skills in Java, CSS, Python, HTML, MySQL, and Oracle, as well as in GIT and Microsoft Office Suite. I have a passion for learning, am quick to adapt to new environments and experienced in team leading.

Further, I have also gained valuable work experience as a Technology Risk Consultant, Business and Technical Analyst, Teaching Assistant, Front Desk Assistant for the Dalhousie University International Centre, Team Lead for the Dalplex Athletics Facility, and Residence Assistance. I have excellent communication skills and I strive to seek new challenges.
